WINZ subsidies available
We are MSD approved and registered. Families may be eligible for the WINZ OSCAR Subsidy. Please contact your local Work and Income office or visit www.workandincome.govt.nz for more information.

- Bookings are essential and payment is required upon booking. Email northshore@ymcaauckland.org.nz or call 09 480 7099 for absences and cancellations.
- Children must be signed in and out by a parent / guardian. Parents / guardians may be asked to show ID when collecting children – please do not be offended as it is for the safety of the children. For children making their own way to from the programme we require an Unaccompanied Child Form to be completed.
- If your child requires any special medications, these must be signed in and given to our programme staff. A medical form must be completed and medication must be in its original packaging showing the child's name and medicine type. All children that have an ongoing medical condition (e.g. nut allergy / asthma) must provide the programme with a current Medical/Allergy Management Plan.
- Children need to bring with them their lunch, snacks, refillable drinkbottle, sunhat and raincoat each day. An SPF 30+ sunscreen will be provided by the YMCA and applied prior to outdoor activities Sept to April. If your child requires a specific sunscreen, please label it with your child's name and send it along with your child each day.
- We take due care with children's belongings but accept no responsibility for lost or misplaced items. Please name your children's belongings so any left behind items may be returned. All lost property will be held for 2 weeks after the programme before being donated to charity.

YMCA provides inclusive recreation, sport and leisure opportunities for people with a disability

We are proudly New Zealand's first and only Safeguarding accredited organisation. This means we take the rights, safety and wellbeing of children and young people seriously, and are committed to ensuring that everyone can enjoy activities, events or programmes in a safe and positive environment.
