

# December and January Holiday Camps

Develop your child's potential this summer at a Camp Adair Holiday Camp!

## WHY CHOOSE A HOLIDAY CAMP?

Y-Outdoors School Holiday Camps are a great way to give your child independence, self reliance and an opportunity to make great friends. Camping encourages a healthy approach to life. There is no better way for young people to learn to accept responsibility, recognise their inner strengths and develop their potential.

## JOIN US THIS SUMMER

### JUNIOR CAMPERS (8 – 12 YEARS OLD)

**SURVIVOR ADAIR / 9th - 13th January 2012 / \$260 per 5 days**

Out Wit! Out Play! Out Last! Put your skills to the test as we create our very own version of the popular tv show. There won't be any cameras and you'll eat way better but the drama, skills, bush challenges and fire torches will all be there. Make sure you are too!

**WET N' WILD SUMMER CAMP / 16th - 20th January 2012 / \$260 per 5 days**

Summer is here so it's time to get wet, feel the sand between your toes, throw on the BBQ and hang in the sun at our water-themed camp.

**BEACHCOMBER / 19th - 23rd December 2011 and 23rd - 27th January 2012 / \$260 per 5 days**

It's time to get out into the sun! Our Beachcomber program is all about being out and about, in the bush, on the farm, in the sand and at the beach. Whatever your child likes to do during the day, we bet they'll love their week of tenting at the beach, camp cooking, campfire stories and clear, starlit nights.
