

Y-Outdoors CAMPS

Y-Outdoors CAMPS ARE AWESOME!

There's a huge range of activities at a Y-Outdoors Camp. You'll meet new friends, have heaps of fun and always have something to do. A Y-Outdoors Camp is often a young person's first major step towards becoming an individual. Camping encourages a healthy approach to life. There's no better way for young people to learn to accept responsibility, recognise their inner strengths and develop their potential. YMCA believes in the value of camping as a vital part of growing up and a healthy investment in a younger generation. Financial assistance may be available upon application. **Please contact the appropriate camp for details.**
