

TIME

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

SATURDAY

SUNDAY

The table consists of 16 rows of alternating light and dark gray background colors. The first row is light gray, the second is dark gray, and this pattern repeats down to the 16th row. The dark gray rows are positioned between the light gray rows, creating a striped effect. The first row is light gray, the second is dark gray, and this pattern repeats down to the 16th row.
