

A Child Safe Organisation

No photography or video recording

YMCA understands we live in a world of social media and customers wishing to capture their experiences. However, for some having their image, locations or services they use identified creates risks to their safety.

YMCA takes our safeguarding responsibilities seriously. Please help us safeguard others by refraining from taking photos or videos throughout the centre, unless you have been approved to do so.

Staff will ask that any imagery taken without YMCA approval is deleted.

For any assistance please contact:

YMCA Safeguarding Manager:
kim.dickinson@ymcauckland.org.nz
Ph 09 929 1521

Safeguarding is everybody's responsibility
