- Programme activities run 9am-3pm. The programme start and end times are 7am-6pm at YMCA Ellerslie. There is no extra cost to drop off before 9am or stay after 3pm.
- Children must be signed in **and** out by a parent / guardian. Parents / guardians may be asked to show ID when collecting children – please do not be offended as it is for the safety of the children. For children making their own way to/from the programme we require an Unaccompanied Child Form to be completed.
- If your child requires any special medications, these must be signed in and given to our programme staff. A medical form must be completed and medication must be in its original packaging showing the child's name and medicine type. All children that have an ongoing medical condition (e.g. nut allergy / asthma) must provide the programme with a current Medical/Allergy Management Plan.
- Children need to bring with them their lunch, snacks, refillable drink bottle, sunhat and raincoat each day. An SPF 30+ sunscreen will be provided by the YMCA and applied prior to outdoor activities Sept to April. If your child requires a specific sunscreen, please label it with your child's name and send it along with your child each day.
- We take due care with children's belongings but accept no responsibility for lost or misplaced items. Please name your children's belongings so any left behind items may be returned. All lost property will be held for 2 weeks after the programme before being donated to charity.
- Not all advertised activities will run the full day – so each day will have a variety of sports, games and art activities also on offer.
- As an MSD approved programme, parents may apply for the OSCAR Subsidy from Work and Income. If you are eligible, please contact ellerslie@ymcauckland.org.nz to make an appointment to complete Part C of your application form. Please note that a 20% deposit will be charged to secure your booking, with the remainder due after Work and Income have completed their subsidy.
