

Kids Recreation Programmes

Term 1, 2022

Monday 14th February!

Y-Gymnastics Mini

These classes introduce children to gymnastics in a fun and exciting way. With a focus on a different piece of equipment /apparatus each lesson, children will build up their fundamental movement skills by balancing across beams, swinging on bars, jumping off boxes and rolling down wedges. To help encourage your child's imagination and social skills, each week we run a different theme with songs and group warm-ups. Classes have a variety of free time and structure in which children can explore the equipment supported by their caregiver. Classes are 45minutes long and require a 1:1 Parent to Child ratio.

Y-Gymnastics Colours & Stages

This is a skills based programme, designed to introduce kids of any ability to the sport of gymnastics in a fun and engaging environment. The instructors will teach kids how to roll, handstand, cartwheel and much more! During lessons, we will explore a range of equipment rotating around circuits, spending time on the beams, bars, rings, floor, vaults, and trampoline. Your child's progress is tracked through the YMCA Colours & Stages Programme, which is tested in Terms 1 & 3. There is opportunity for all Gymnasts to participate in an annual End of Year display

Y-Panthers Basketball

Our Basketball classes teach ball-handling skills, drills, shooting and aiming, as well as an understanding of the rules of basketball in a non-competitive, fun environment. We aim to create confidence, teamwork and overall fitness of all players. Each week focuses on a different element of the game, working in small groups through modified games.
