Outdoor Schools Holiday Programmes

YMCA Outdoors has a voluntary tiered pricing system for our School Holiday Programmes. This allows families to choose the price that works best for them. Traditionally, we have only offered a heavily subsidised rate to ensure access to all. This rate does not cover ongoing development of camp, upkeep, or cover the full cost of running the camp programmes.

We are continuing to offer this heavily subsidised rate, but now include other options for your consideration.

How do I select my price?

Choosing whichever tier works for your family requires no paper work and in no way influences the experience children receive. Simply choose the rate that is appropriate for your family. We also have an add-on option if you can afford a little more but the tiers do not fit.

How are the rates subsidised?

We are able to offer subsidised rates through generous contributions from donors, alumni, staff and friends, and through the support of YMCA North, (the association to which YMCA Camp Adair and YMCA Shakespear Lodge belongs.)

You can also elect to pay an additional amount by choosing a tier, then adding in an optional extra donation.

TIER A

4 Night Camp
Full cost
\$490.00

* Tier A Reflects the actual amount spent per camper. Tier A covers the actual costs of camp including activity, site and facility upkeep and improvements.

TIER B

4 Night Camp
Partially subsidised cost
\$440.00

Tier B is a partially subsidised Camp Cost - helps cover the basic cost of your child's camp experience, such as staff wages food and activity costs

Thanks to tiered pricing we can help
