Outdoors School Holiday Programmes

YMCA Outdoors has a voluntary tiered pricing system for our School Holiday Programmes. This allows families to choose the price that works best for them. Traditionally, we have only offered a heavily subsidised rate to ensure access to all. This rate does not cover ongoing development of camp, upkeep, or cover the full cost of running the camp programmes.

We are continuing to offer this heavily subsidised rate, but now include other options for your consideration.

How do I select my price?

Choosing whichever tier works for your family requires no paper work and in no way influences the experience children receive. Simply choose the rate that is appropriate for your family. We also have an add-on option if you can afford a little more but the tiers do not fit.

How are the rates subsidised?

We are able to offer subsidised rates through generous contributions from donors, alumni, staff and friends, and through the support of YMCA Auckland, (the association to which YMCA Camp Adair and YMCA Shakespear Lodge belongs.)

What if my family needs more assistance?

Please apply for a scholarship to assist with the camp fees. Scholarships can be for as little as \$5 all the way up to 75% of the full amount. Please contact your host camp for a form. Using Tiered pricing will allow us to keep rates affordable for a wider range of family budgets, while also taking care of camp facilities.

Thanks to tiered pricing YMCA Outdoors will:

- Support YMCA Auckland's 'Send a Family to Camp' Programme
- Upgrades of the initiatives course at YMCA Camp Adair
- New AV and sound equipment at YMCA Shakespear Lodge
- Upgrades to the Grove high ropes courses at YMCA Camp Adair
- New climbing wall holds at YMCA Shakespear Lodge

Naming your price requires no paperwork and in no way influences the experience your child will receive at camp.

You can also elect to pay an additional amount by choosing a tier, then adding in an optional extra donation.

TIER A Full cost

5 Night Camp \$470.00

Tier A Reflects the actual amount spent per camper. Tier A covers the actual costs of camp including activity, site and facility upkeep and improvements.

TIER B Partially subsidised cost

5 Night Camp \$420.00

Tier B is a partially subsidised Camp Cost - helps cover the basic cost of your child's camp experience, such as staff wages food and activity costs

TIER C Subsidised cost

5 Night Camp \$370.00

Camp fees are subsidized by generous donations from our key community partners. We are able to offer Tier C fees due to the generous support of our community partners who love supporting camp to ensure it is accessible for as many families as possible.
